The Essential Atlas: Star Wars National Geographic Books
Navigate the Star Wars universe as you never have before with this fully illustrated, full-color guide that maps the entire galaxy. You know the planets–from Alderaan and Corellia to Tatooine and Zonama Sekot–and the star systems, from the Deep Core to the Outer Rim. But now, for the first time, you can pinpoint their locations and chart the travels of your favorite characters through the vast reaches of space. Star Wars: The Essential Atlas is a galaxy-spanning trove of vital statistics and information ranging from the astronomical and geographical (“Systems, Sectors, Oversectors, and Regions”) to the historical and political (“The Sith Empire” and “The Great Hyperspace War”). Encompassing the entire Star Wars canon, including all the films, and the Clone Wars television series, plus the novels, comic books, video games, and more, this volume is packed with dozens of detailed maps and charts, as well as pertinent data and accompanying facts on • the Empire: its length and breadth, political regions, populations, trade routes, major attractions, and trouble spots • the Clone Wars: the trajectory of this decisive conflict across the universe, data on key battles and major Loyalist and Separatist worlds • the adventures of Han Solo: the heroic rogue’s exploits throughout the galaxy–including his captaincy of the Millennium Falcon and his first, fateful meeting with Chewbacca–before his life-changing alliance with Luke Skywalker and Obi-Wan Kenobi • the Sith Wars: the progression of the universal clash between the ancient Jedi Order, their dark side counterparts, and the Mandalorian warriors who fought against both orders • and much, much more From Hutt Space to the Unknown Regions, from the Knights of the Old Republic and Episode I to the Fate of the Jedi and Legacy era, Star Wars: The Essential Atlas is the ultimate gateway to space fantasy’s most brilliantly imagined and endlessly intriguing galaxy.

Star Wars: The New Essential Guide to Alien Species Del Rey
Discover who's who and what's what in the Star Wars universe with this beautifully illustrated guide–now in full color for the first time. When it comes to extraterrestrial life-forms, there's more to science fiction's most famous galaxy than just Jawas, Wookiees, Ewoks, and Hutts. From the skylanes of Coruscant to the worlds of the Outer Rim, an untold number of species populate those planets far, far away. And if you confuse Gungans with Gamorreans, or don't know a bantha from a tauntaun, you definitely need the in-depth data that only this revised, expanded, and updated guide can deliver. This comprehensive overview includes beings from all six of the classic movies–plus the novels, cartoon series, comics, and video games. It's an even bigger cross section of species than what you'll find in the Mos Eisley cantina. And each entry, from acklay to Zabrak, from amphibians to vacuum-breathers, features everything you need to know, including • complete physical description and official designation, so you can tell your sentients from your non-sentients, and your humanoids from your insectoids • homeworld: from dry and dusty Tatooine, stormy and waterlogged Kamino, to arctic Hoth, and countless other strange and varied worlds • phonetic pronunciation: Askajian, H'nemthe, Iktotchi, Ssi-ruu, and Xexto/Quermian aren't as easy to say as they are to, er, spell • notable appearance: a listing of one of the more significant appearances of each species in the teeming Star Wars storyline Plus, this brand-new edition includes a glossary of crucial descriptive terms and a completely original, full color illustration for each of more than one hundred individual species. It's a big galaxy, and someone has to organize it. Count on Star Wars®: The New Essential Guide to Alien Species–and don't leave your homeworld without it.

The Jupiter Pirates: Hunt for the Hydra HarperCollins
Treasure Island meets Battlestar Galactica in book one of the swashbuckling sci-fi adventure series SLJ called "space opera in the classic style" in a starred review, from New York Times bestselling author Jason Fry. The relationship between Tycho Hashoone, his twin sister, Yana, and their older brother, Carlo, isn't your average sibling rivalry. They might be crew members together aboard the Shadow Comet, but only one of them can be the next ship captain. So when the Hashoones find themselves in the midst of a dangerous conspiracy—one that will pit them against space pirates, Earth diplomats, and even treachery from within the family—each sibling is desperate to prove his or her worth. The only trouble is, if they don't work together, none of them may make it out alive. Perfect for fans of fantasy adventures like Ranger's Apprentice and such space-age epics as Star Wars, The Jupiter Pirates: Hunt for the Hydra is a wholly original saga about a galaxy on the brink of war and one unforgettable family caught in the cross fire. Don't miss the action-packed sequel, Curse of the Iris.

At the Mountains of Madness Vol. 2
Return to the final days of the Dyer expedition in the remote Antarctic wastes. The letters from expedition leader Professor William Dyer grow increasingly more desperate as the expedition presses on, leaving sanity behind them. What they discover beneath the ice is meant for no living man to see, Cyclopean structures and alien landscapes that defy history itself. The final act of the Dyer Expedition is a descent into cosmic horror and utter madness. H.P. Lovecraft's At the Mountains of Madness, first published in 1936, is one of the

greatest classics of American horror literature. The most ambitious story Lovecraft ever wrote, it has served as a source of inspiration for filmmakers and authors in the decades since his death. This is the second volume of two. François Baranger, an illustrator with experience working in both the film and gaming industries, was fascinated early on by Lovecraft's creatures and visions which populated the darkest recesses of fantasy. Having previously illustrated The Call of Cthulhu to great acclaim, this book is his most ambitious creation so far.
