The Soulful Seeker Om Books International
When writer-poet Punam Chadha-Joseph took to the pen, to give expression to the scale of emotions she went through in a single day, what emerged over time was a cyclical play of love, joy, wonder, peace, anger, courage, sadness, fear and even despair in varying intensities. Having always been forthright, outspoken and a nonconformist, conventional morality was open for debate as was gender stereotyping. The writer-poet’s enquiry into matters philosophical and comical, culminated in The Soulful Seeker, a moving collection of poems that resonates our aspirations, hopes, longings and disappointments, and above all, our ever-changing notion of

ideality. A delightful read indeed! “A good poet’s task is to provoke thought through simple language. For, translating Descartes, I think, therefore I am. Doing this is not easy. Punam, however, does it simply and well. Do read her poems and you will find yourself thinking. And equally importantly, often find yourself smiling too. For as she rightly says, there are ‘little bubbles of happiness that (we) often forget to see’.” Amish Tripathi, award-winning author, The Shiva Trilogy and Scion of Ikshvaku “A delicate rhythmic journey laced with clarity and elegance, the warmth of Punam’s persona reflects beautifully in this collection. I’m sure it will engross every reader who is ‘A Soulful Seeker’!” Padma Shri Prasoon Joshi, National Award-winning poet, song-writer, screen-writer & advertising legend. After completing her Bachelor’s in Economics (Honours) from St. Xavier’s College, Mumbai, Punam Chadha-Joseph joined the prestigious Oberoi School of Hotel Management in Delhi to do her post-graduation. In the course of her work-life, she met her husband Sabbas Joseph, the Founder-Director of Wizcraft, India’s pioneer Event Management agency. The Soulful Seeker is her first book of poems, and she is ready with another one, especially written for children, based on appreciating and saving the environment. Sketching being a new hobby, she has incorporated many of her sketches in The Soulful Seeker, including the very striking visual on the cover. Talking Points - Foreword by National Award-winning actress and activist Shabana Azmi - Endorsed by bestselling author Amish Tripathi, Padmashri and National Award-winning poet and lyricist Prasoon Joshi, National-Award winning director, Rakeysh Omprakash Mehra, and popular Bollywood actress Sonakshi Sinha among others - Debut collection of poems by artist-writer Punam Chadha-Joseph - Accompanied by Punam Chadha-Joseph’s beautiful artwork

I am Lakshmi Prasad, native of Bitihar. I am doing PhD on a very important subject “Mating habits of gay chimpanzees in West Africa” at PANU University, the best University in India and possibly the best University in the world. My idols are “Faizal Guru”, “Janab Kasab Sahib”, “Focus Carat”, “Baba Badkar”, “Zakir Nalayak”, “Gharkha Dutt”, “Dr. Kana Ayyub” and all PhD students who had committed suicide since they failed to solve their PhD problems. I personally feel that, all deprived Indians should automatically be awarded a PhD degree coupled with a free pension of 1 lakh rupees/month to be delivered in cash via post at door step. Till then we are going to fight for azaadi from India. Imagine a day, when no PhD student would have to commit suicide, imagine a day, when no lower caste will be humiliated by upper caste, s/he can use his/her doctorate degree and force others to call him/her Dr. X, Dr. Y ,etc.

Eat Delete Junior HarperCollins
For parents who have a lot on their plate.Children are question marks. Bawling, cooing, spit-blowing question marks. How long should you breastfeed your baby? Will he sleep through the night? While many of life's riddles are difficult to solve, celebrity nutritionist Pooja Makhija addresses one vital question with an insight, and humour, few others have: the question of child nutrition. What you feed your children is only one aspect of nourishment; how they eat is another. Focused on the psychology of eating and keeping a child's unique bio-individuality in mind, this sequel to Pooja's best-selling Eat Delete sheds light on how a child's palate develops, methods to keep junk food at bay, and the habits needed to prevent ill-health and obesity. It also teaches you that while correct eating is paramount, it's okay to bend the rules occasionally if you keep in mind the big picture: that if you teach kids good nutritional habits when they are young, they will take nutritionally responsible decisions as adults.Woven through with fables and fairy tales, and separating the facts from family myth, Eat Delete Junior will help parents emerge victorious over the ultimate child-rearing battleground: the dinner table.

You've seen most of the things that Piyush Pandey has seen in his life. You've seen cobblers, carpenters, cricketers, trains, villages, towns and cities. What makes Piyush different is the perspective from which he views the same things you've seen, his ability to store all that he sees into some recesses of his brain and then retrieve them at short notice when he needs to. That ability combined with his love, passion and understanding of advertising and of consumers make him the master storyteller that he is. In Pandeymonium, Piyush talks about his influences, right from his childhood in Jaipur and being a Ranji cricketer, to his philosophy, failures and lessons in advertising in particular and life in general. Lucid, inspiring and unputdownable, this memoir gives you an inside peek into the mind and creative genius of the man who defines advertising in India.

Raj Kapoor, the creator of some of Hindi cinema's most enduring classics, is one of the greatest film-makers India has ever produced. He was also known to the world as an extraordinary and controversial showman, an entertainer par excellence, someone who created the template for Hindi cinema.Raj Kapoor: The One and Only Showman is a unique experiment, both an autobiography and a biography. While the autobiography uses his own words, culled from interviews, journals and anecdotes, to provide an intimate glimpse into the mind of a genius, the biography is an attempt to record for posterity the lesser-known facets of his magnificent personality through the recollections of his family, colleagues and friends. As revealing as it is engaging, this is a fascinating portrait of the man regarded as the last of the true movie moguls of Indian cinema.

The Last of the Live Nude Girls Catapult

A "eye-opening, gritty, and compelling" memoir by one of New York City's last Times Square peep show girls (The Paris Review Online). In 2006, Gotham City Video was among the last of its kind where, breathing in a cocktail of Pine-Sol and Windex, a man paid $40 to watch a girl strip naked behind glass. These fantasy lands, left over from the days when 42nd Street was the center of vice, eventually disappeared from the rapidly gentrifying city, their stories lost forever. Not those of tenderloin grinder, Sheila McCelar. Pulling back the curtain on the little-documented world of the peeps, her "ribald . . . memorable and highly relevant" (The Daily Beast) reflection is "both a eulogy and a paean to the freaks and misfits who have long given their souls to the city" (Matthew Gallaway, author of The Metropolis Case). A late bloomer from small-town Michigan, Sheila arrived in New York as a struggling actress and soon found herself adrift. Borderline homeless, and crashing with friends, she finally got steady work that paid the rent—as a stripper along the triple-x stretch of Eighth Avenue. When Times Square seeped into her blood, she ended up staying much longer than she imagined. The story she tells is not just of her own coming-of-age, it's a "sharp, sweetly personal . . . fascinating and honest" narrative of modern life on the fringes of society in New York City (Mark Jacobson, author of Pale Horse Rider).

directed me to India—a place where I had buried my childhood dream eleven years ago, and moved to New York. I waived God away when I got to New York, and, to be honest, I didn't need Him either. Until now... Life's always been a bitch but this time it's gone too far. I want my money and my company back, and I will find God one way or the other to get my answers. I've boarded the flight. Hop on...and yes...carry some scotch along. See you on the other side. Cheers, Sid—Siddharth Khanna

The Absent State Hachette India
The spiralling crisis in Jammu and Kashmir; the Naxalite-Maoist menace that seems to be intensifying with every passing day; the disturbing reach of proxy governments run by militant groups in Manipur and Nagaland ? today, a quarter of India is being held hostage by violence and anarchy. What has pushed the country, which has otherwise held together through seemingly insurmountable odds in the past, to the edge? Who and what is responsible for the state of affairs as it stands today? In a series of dispatches from the epicentres of what they call the country?s `battle zones?, Neelesh Misra and Rahul Pandita unveil the tensions, frustrations and heartbreaks, and the challenges and justifications, that are everyday realities in these troubled regions. Civil administrators talk about the widespread misappropriation of development funds in tribal and remote areas; security and police personnel describe extreme confrontations in the face of inadequate training and equipment; rebel ranks and former insurgents reveal how unemployment, lack of education and rampant exploitation have fuelled their defiance against the establishment and encouraged secessionist activities; self-styled vigilantes assert their need to provide what they consider `security? and `justice? in areas that have seen little of either. And, at the heart of the on-going turmoil, ordinary people mourn the loss of their loved ones ? to starvation, lack of healthcare facilities and militancy ? even as they voice their demand to be heard. The stories

are many; the cast varied. Yet, collectively, they present an alarming picture of systemic failure on the part of the Indian state. A potent reminder of the mistakes that the government of India cannot afford to repeat, The Absent State is a work of great significance ? an essential read for anyone who wants to make sense of the tumult of our times.

The transcripts of the sting operation reveal the complicity of the state and its officials in crimes against humanity. With sensational disclosures about cases that run parallel to Narendra Modi and Amit Shah's ascent to power and their journey from Gujarat to New Delhi, the book tells you the hushed truth of the state in the words of those who developed amnesia while speaking before commissions of enquiry, but held nothing back in the secretly taped videos which form the basis of this remarkable read.
